T-REX

Introducing T-REX, Ferociously Strong Tape.

Compared to ordinary duct tape T-REX is best for your toughest repairs.

- 4 X THE STAYING POWER**
- 3 X THE HOLDING POWER**
- 2 X THE BITE**

Our Co-Extrusion process makes the difference.

Most duct tapes are made by laminating layers together. T-REX is different. It's made through a special process — CO-EXTRUSION — which actually melts adhesive to the backing in a single step. This creates a super strong longer lasting, weatherproof tape. T-REX strong.
