RAZOR EDGE GOLD™

60
CP

NEW Razor Edge Gold – Outperforms ordinary blue tape.

Our newest premium painter's tape leaves the sharpest, cleanest lines imaginable. Razor Edge Gold™ is the best tape for any painting project. This high performance tape won't rip or sliver, and its superior paper backing prevents unsightly bleed-through.

Razor Edge Gold™ uses a new ShurRELEASE adhesive to remove cleanly, leaving no residue. Our low tack adhesive also removes easily from delicate surfaces and won't damage drywall, faux finishes, or fresh paint – 24 hours old.

> Razor sharp lines

Special backing reduces bleed-through, leaving sharper lines when compared to masking tapes.

> Clean removal

Easy removal from walls and other surfaces for up to 60 days.

> Low tack

Won't damage delicate surfaces like drywall or fresh paint, 24 hours old.
