

RESIDUE FREE

PROTECTIVE COHESIVE FOAM

FC SERIES

You need a protective foam as versatile and reliable as your business.

Whether small or large, light or heavy, you expect your product to arrive in the condition you sent it. Your shipments are important, so why count on ordinary packing materials?

Our FC Series cohesive foam is designed to meet all of your shipping needs, offering a layer of strength not found in other packing materials. Our tear-resistant FC Series adheres to itself while conforming around your product, all without producing damaging residue.

Don't just get your product there in one piece, get it there with peace of mind. So no matter where your products go, wrap them up in a protective shield you can trust with our FC Series. **Hold Safe. Hold Strong.**

RESIDUE FREE

PROTECTIVE COHESIVE FOAM

FC 100 SERIES

POLYETHYLENE FOAM

Designed to protect exposed metal, wood & edges of items during shipment.

Designed to contain small items during shipping process.

- Abrasion and puncture resistant
- Protection packaging that stays in place
- Adheres to itself
- Convenient, easy to use
- Melting Point of 265° F

FC 100 = 0" Perforation
 FC 106 = 6" Perforation
 FC 108 = 8" Perforation
 FC 112 = 12" Perforation

Tensile Strength	10.3 lbs/in width
Adhesion to Stainless Steel	2 oz/in width
Thickness	34 mils
Elongation	71 %
Servie Temperature Range	-30° to 150° F
Available Widths	6, 8, 9.6, 12, 16, 24, & 48 inch

FC 200 SERIES

POLYETHYLENE FOAM

Designed to protect exposed metal, wood & edges of items during shipment.

Designed to contain small items during shipping process.

- Cushioned separator between stacked parts
- Overlay and underlay capabilities
- Adheres to itself
- Convenient, easy to use
- Melting Point of 265° F

FC 200 = 0" Perforation
 FC 206 = 6" Perforation
 FC 208 = 8" Perforation
 FC 212 = 12" Perforation

Tensile Strength	7.4 lbs/in width
Adhesion to Stainless Steel	0.88 oz/in width
Thickness	40.0 mils
Elongation	64.8 %
Servie Temperature Range	-30° to 150° F
Available Widths	6, 8, 9.6, 12, 16, 24, & 48 inch
