

60-DAY ShurRELEASE™

RAZOR EDGE™ PAINTER'S TAPE

60
CP

NEW Razor Edge – Outperforms ordinary blue tape.

Our newest painter's tape leaves only the sharpest, cleanest lines. Razor Edge is the best tape for any painting project – you can even paint perfect stripes, diamonds, and other patterns on walls.

Razor Edge uses a new ShurRELEASE adhesive to remove cleanly, leaving no residue when left for up to 60 days. Our low tack adhesive also removes easily from delicate surfaces and won't damage drywall, or faux finishes. This high performance tape won't rip or sliver, and its superior paper backing prevents unsightly bleed-through.

> **Razor sharp lines**

Special backing reduces bleed-through, leaving the sharpest lines imaginable.

> **Clean removal**

Easy release from walls and other surfaces for up to 60 days.

> **Low tack**

Won't damage delicate surfaces like drywall or faux finishes.
