

FLOOR MARKING GUIDE

MARKING YOUR FACILITY'S FLOORS IN ACCORDANCE WITH OSHA REGULATIONS

Whether you are marking aisles and floors or identifying hazards and trip areas, there are a variety of color-coded tapes available that reflect your commitment to safety.

OSHA-APPROVED FLOOR MARKING COLORS

YELLOW Aisleways and Traffic Lanes; Paths of Egress; Work Cells

RED Defect/Scrap Area; Red Tag Area

WHITE Production; Racks, Machines, Carts, Benches and Other Equipment

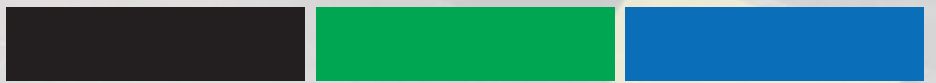

ORANGE Material or Product Inspection; Energized Equipment

BLACK/YELLOW STRIPE Areas which present physical or health risks to employees
Indicates that extra caution is to be exercised

BLACK/WHITE STRIPE Areas to be kept clear for operational purposes
(non-safety related).

BLACK, GREEN, BLUE Finished Goods, Raw Materials or First Aid and Works-in-Progress
