

COLORED, HEAVY METALS FREE

# CP 631 GENERAL PURPOSE MASKING TAPE

Some tasks demand a tape that will get noticed. Simply adding a touch of color can make these projects even more fun to tackle. It's why Shurtape CP 631 is designed with versatility in mind, ensuring your projects stand out in the crowd.

Shurtape CP 631 is a general purpose, medium-adhesion masking tape designed with a flexible crepe paper backing. Available in 12 colors, CP 631 is ideal for use in arts and crafts, labeling, color-coding, bundling, decorating and identification. And, it's the only tape of its kind that meets U.S. Government Labeling of Hazardous Art Materials Act (LHAMA) requirements, where all colors of CP 631 passed test method ASTM D-4236, signifying the tape contains no heavy metals.

MASKS

COLORED, HEAVY METALS FREE

# CP 631 GENERAL PURPOSE MASKING TAPE

Crepe paper masking tape for general purpose use in packaging, bundling, holding, binding, splicing, labeling, color-coding, banding, decorating and identification on a variety of substrates

- Tape core  $\geq$  90% post-consumer waste

Tensile	Adhesion to Stainless Steel	Thickness	Elongation
20 lbs/in width	34 oz/in width	4.9 mils	9%

**\* Meets CPSC Requirements through conformance with ASTM D-4236**

This product has been found to conform to the Consumer Product Safety Commission’s (CPSC) “Labeling of Hazardous Art Materials Act” (LHAMA) using a 3rd party toxicologist under ASTM D-4236. LHAMA requires that arts & crafts products sold in the US be reviewed in this manner to determine if any hazardous materials are present through normal product use and to warn consumers if such hazardous materials exist through specific language dictated by a toxicologist. The statement “Conforms to ASTM D-4236” indicates a toxicologist has reviewed the product and has found no hazardous materials present that would require a warning statement.
